## SPL Report

January was a very good month. The gift exchange went well; however, attendance has still been down, and a lot of PLC members don't show up to PLC required events. We should keep trying to get contact with our fellow scouts.

## Scoutmaster Report

Narwhal patrol is February patrol. Orca patrol is March patrol. Scoutbook must be updated before we can have a board of review so that they have a backup in case you lose your handbooks and so everything can be kept up to date for our eagle applications. We need to let our scouts know that if any of them haven't signed up for a merit badge, they need to let Mr. Williams know. Mar 4 is the Court of Honor. The church is doing something in the fellowship hall that day, so it might be rescheduled. Feb 7-9 is

the ski trip. Feb 9 is Scout Sunday. We need to set the example for how our scouts act. For most members of the church, this is the only exposure to the troop. University of Scouting is Feb 22. OA election is Feb 25. We as leaders have a problem with communication. We should figure out the best ways to communicate with our patrols. Climbing Overnighter is Mar 1-2. Mulch Sale pickup is Mar 15. Battleship overnighter has been rescheduled to Mar 22-23. Cycling campout has been rescheduled to Apr 4-6.

## Patrol Leader Reports

Honey Badger (Ryan): Attendance was good. They were efficient in placing doortags.

Narwhal (Atharv S): Attendance is low, but sports and school events are dying down so attendance should hopefully increase.

Orca (Jason Cody): Attendance was great. Honor patrol was turned in. They completed the mulch sale drop-offs in 40 minutes.

Panda (Ritwik): Attendance was bad. Most just don't come or have aged out.

Penguin (Arjun): Some scouts that haven't shown up in the past finally showed up.

Raven (Kevin): Attendance was good, but the scouts were problematic. Mr. Kay will have a talk with them during tomorrow's meeting. Attendance of the mulch sale was very low (just the patrol leader and the senior patrol leader).

## Appointed Leader Reports

ASPLs (Russel and Aarnav): The events they've done (Pentagon tour, gift exchange, etc.) went well.

Chaplain Aide (Carter): He will be at Scout Sunday.

Historians (Cooper and Srihith): An email was sent out for pictures from the Pentagon tour, though there is only one picture due to flash photography not being allowed in there.

Quartermaster (Kellan): His top priority is reorganizing the trailer.

Scribe (Henry): He's been doing the monthly PLC minutes.

Troop Guides (Alexander, Atharv N, and Mithran): They have received the patrol preferences from the recent new scouts.
