## SPL Report

In January and February, the events went well. However, attendance has been a problem. The climbing overnighter, merit badge madness, and OA elections went very well. We leaders need to continue working on communication.

## Scoutmaster Report

Orca patrol is the March patrol. Mar 3 is the Court of Honor. Panda patrol is the April patrol. Merit badge madness will need one or two more weeks. Carter will need to coordinate with Brielle, the 682G Chaplain Aide, for an invocation for the Court of Honor. The Battlefield hike will be postponed. Pack 1148 is having a campout Mar 8-9 that the troop guides should attend. Mar 15 is the mulch sale distribution date. The Battleship Overnighter has been rescheduled to Mar 22-23. The spring ordeal is at the end of

March. The cycling campout is Apr 4-6. There are four crossover campouts that we need to attend: Pack 910 on Mar 14 at 7:00, Pack 2011 on Mar 15 at 4:00, Pack 2013 on Mar 20 at 6:15, and Pack 1148 on Mar 22 at 2:00.

## Patrol Leader Reports

- Honey Badger (Ryan): Attendance has been decreasing, most likely to spring sports starting up.
- Narwhal (Atharv S): Narwhal was the February patrol, and the patrol did not show up half of the time.
- Orca (Jason Cody): Attendance has been good. They're planning a bonfire. They're ready to be service patrol.
- Panda (Ritwik): Most members have aged out or are about to age out. We might need to have some older scouts transfer to the patrol.
- Penguin (Arjun): About 5-7 scouts show up to meetings.
- Raven (Kevin): Things are going well, but there are scouts who don't show up for weeks and then randomly show up.

## Appointed Leader Reports

- Chaplain Aide (Carter): Things have been going well. He'll be doing the invocation for the Court of Honor.
- Historians (Srihith and Cooper): Cooper hasn't been quite as present as he should be.
- Quartermaster (Kellan): In March, he's going to be reorganizing the trailer and chuckboxes.
- Scribe (Henry): I've been doing the minutes, and this month, I sent the minutes out to all leaders, so they can read it ahead of time. Some scouts don't have emails on Scoutbook, which I think is a bit of a problem.
- Troop Guides (Alexander, Atharv N, and Mithran): At the climbing overnighter, there were 2 or 3 scouts that just joined and did the climbing merit badge.

## March 2025 Meetings & Events
